Adjustable Electrician Knife

DAK

- Alloy tool steel blade for easy sharpening (DAK-1/-4). Rust-resistant stainless steel blade (DAK-2/-3).
- Blade length can be adjusted to suit actual work (0 to 63mm / Slide pitch 5mm).
- Safe because the blade can be stored inside, and compact when carried and stored.
- Self-locking slide. The dial on the backside prevents the blade from rattling.
- The blade is replaceable. The replacement blades are available as option.
- The elastomer grip prevents slipping and ensures firm gripping.
- Comes with a slit blade for easy vertical splitting of VVF (VA) cable.
- With an anti-drop lanyard attachment hole. ● Made in China
